

BIG LITTLE FESTIVAL WEEKEND
St Peters School (6th & 7th March 2010)

PERFORMANCE PLATFORMS
(BLUE)

We invite any student who has a solo song, poem or monologue to sign up and take part in one of our Platforms. These have proved extremely popular during the past three years. They take place in an intimate environment in front of a very supportive audience so please "have a go!" You can register to perform a platform place by completing the slip at the bottom of this letter.

If you are planning to sing a song, you will need to have the sheet music for the piece. You will need to submit a copy of the music with your request form so that the pianist can prepare for your performance. Backing tracks or other recordings are not suitable for platform performances.

If you would like to perform a song, but are not sure what to do, you can select one from the list on the reverse of this sheet. The sheet music for all of these numbers is held in stock by Big Little and can be copied for you if you require.

There is a time limit of 5 minutes for each performance.
