

BIG LITTLE THEATRE SCHOOL SUMMER WORK EXPERIENCE MUSICAL

It's a new year, and a new decade and we're delighted to announce that one of our most popular and exciting projects has returned for 2010. After a year's break we will again be running a "work experience musical" project this August.

It's early days yet, and we're still in the process of finalising the creative team and the show, but we wanted to let you all know our plans - and to start finding out at this stage which students would be interested in auditioning for the show.

As with "Just So" in 2008, this project will be a unique opportunity for students aged 15-19 (year 10 upwards) to experience working on a show in effectively a professional environment with full time rehearsals for 3 weeks, and a production week in the fourth.

This show is designed very much as "work experience" for those students who participate, and is NOT merely "let's put on a show". It is aimed at talented students with a major "thirst" for musical theatre activity & a desire to experience working in what is basically a professional environment, and where there will be an expectation from the creative & production team of professional commitment, application & attendance.

Rehearsals will commence on Monday 2nd August, and continue on a "full time" basis for three weeks with the show being produced in the last week in August (finishing on 28th August). Rehearsals will take place Monday-Friday (daytimes, with some evening work), with the possibility of some Saturday work if circumstances dictate. Sundays (with the exception of the final week Aug 22nd) would be days off.

This is a MAJOR commitment and should not be entered into lightly. All cast members must be available for the ENTIRE rehearsal and production period (we are aware of GCSE and A-level results days and time will be worked into the schedule for this).

The cost of this project will be £250 for each student who is an existing member of Big Little. This will be payable in two installments. It should perhaps be noted that the cost of an equivalent type of project with the National Youth Music Theatre would be in the region of £1000 !!!

To register your interest in the project, please email info@biglittle.biz and we will then let you know more information about the project and the audition process.

We look forward to another successful production which is aimed to give those students who wish it, an opportunity to experience working on a musical under as close to professional conditions as possible, as well as developing their individual talents and skills.
